

DELTA P D PUMPS PRIVATE LIMITED

THREE SCREW PUMPS

SERIES D3S

For all your pumping needs since 1968...

INTRODUCTION

Delta Corporation pioneered the screw pump revolution in India in the 1970s and went on to produce the leading brand of the country which is now a part of a multinational group

For all your pumping needs since 1968...

- Over the years the market has grown considerably and the field of applications has become more diverse for these pumps compelling innovations in the design and production of the pumps to answer the demands of the market.
- Delta is again proud to present to this mature market reliable, low noise, state of art and low cost three screw pumps.
- With over 40 years of application expertise and high technology product manufacturing expertise from Europe, we are well positioned to meet all the requirements of the industry including for specific applications, customization and developing new products.

THREE SCREW PUMPS PRODUCT RANGE

For all your pumping needs since 1968...

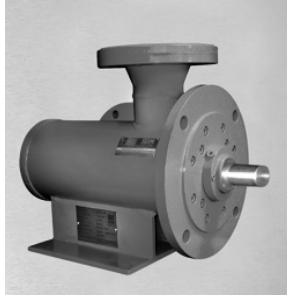

Low Pressure Range – Series D3SL

Capacity up to	lpm	5400
Temperature up to	°C	180
Working pressures up to	bar	10
Mediums		All kind of lube oils
Viscosity range	cst	4 to 2000
Speed range	rpm	500 to 3600
Possible Mountings		Horizontal foot or flange, vertical tank or pedestal

For all your pumping needs since 1968...

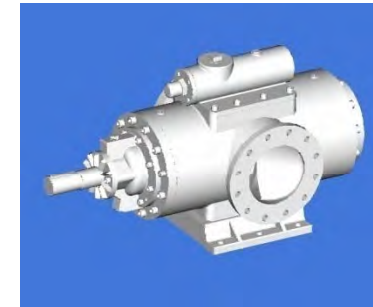

Normal Pressure Range – Series D3SN

Capacity up to	lpm	3200
Temperature up to	°C	180
Working pressures up to	bar	40
Mediums		All kind of lube oils, fuel oils
Viscosity range	cst	4 to 2000
Speed range	rpm	500 to 3600
Possible Mountings		Horizontal foot or flange, vertical tank or pedestal

For all your pumping needs since 1968...

Medium Pressure Range – Series D3SM

Capacity up to	lpm	3200
Temperature up to	°C	180
Working pressures up to	bar	80
Mediums		All kind of lube oils, fuel oils
Viscosity range	cst	4 to 2000
Speed range	rpm	500 to 3600
Possible Mountings		Horizontal foot or flange, vertical tank or pedestal

For all your pumping needs since 1968...

High Pressure Range – Series D3SH

Capacity up to	lpm	600
Temperature up to	°C	60
Working pressures up to	bar	120
Mediums		All kind of lube oils
Viscosity range	cst	1 to 10 to 400
Speed range	rpm	2900 to 3500
Possible Mountings		Horizontal flange or vertical tank

MANUFACTURING : Our works are situated at Vapi and is equipped with modern machine tools and experienced personnel well versed with the manufacturing of the product.

QUALITY & TESTING : All the products are 100% tested prior to dispatch from works. The quality system followed in the company, aims to fully satisfy customers expectation in terms of Products Quality, reliability in delivery and stock availability for finished products.

AFTER SALES & SERVICE : Delta Products are lasting and reliable, protected by adequate warranty. Where maintenance will be necessary, Delta will give necessary support on site and at our works through qualified personnel.
